Nutrition and Physical Degeneration

January 11th, 2019 - TABLE OF CONTENTS Chapter 3 ISOLATED AND MODERNIZED SWISS IN ORDER to study the possibility of greater nutritive value in foods produced at a high elevation as indicated by a lowered incidence of morbidity including tooth decay I went to Switzerland and made studies in two successive years 1931 and 1932 It was my desire to find if possible groups of Swiss living in a physical

Electropaedia History of Science Technology and

January 1st, 2019 - Heroes and Villains A little light reading Here you will find a brief history of technology Initially inspired by the development of batteries it covers technology in general and includes some interesting little known or long forgotten facts as well as a few myths

about the development of technology the science behind it the context in which it occurred and the deeds of the many
