Jim Fink s Options for Income Scam or for Real

January 20th, 2019 - I have been seeing advertisements for Jim Fink's Options for Income as well as some of his other products for some time Options for Income caught my attention the most because he said you can make 65 000 00 additional every year just by following his recommendations

Algorithmic trading Wikipedia

January 20th, 2019 - Algorithmic trading is a method of executing a large order too large to fill all at once using automated pre programmed trading instructions accounting for variables such as time price and volume to send small slices of the order child orders out to the market over time They were developed so that traders do not need to constantly watch a stock and repeatedly send those slices out manually
